TITANIUM

TITANIUM VITRIFIED PVT. LTD., an ISO 9001 : 2015 certified company is India's prominent manufacturer and leading exporter of Glazed Vitrified Tiles (GVT) & Polished Glazed Vitrified Tiles (PGVT) promoted by a group that has been connected with the ceramic industry since more than a decade.

In present scenario, GVT & PGVT stand out as the latest and the best segment of tiles offerings involving glazing and digital printing process to create amazing natural and artificial surfaces.

A combination of ongoing investments in cutting edge technologies for improving the manufacturing process at its best, continual adaption to advanced and innovative designs, and a permanent concern for environmental responsibilities have all helped us to emerge as the TITANIUM brand all over the globe.

TITANIUM continuously invests considerable resources in research & development of its products so that to ensure its valuable customers obtain the best from it. Due to such customer centric perspective, within a short period of time the company achieved remarkable position in national as well as international markets.
